25X1A* Comment. The 2497th AAA Regt of the 14th Gds Mecz Div is believed to be stationed at Damm airfield. The loading operations observed on 23 and 25 April may have been linked with a troop train which, according to another source, on 26 April, went from Jueterbog to Damgarten, on the coast northeast of Rostock. The motor vehicles [REDACTED] 25X1C in the present report belong to the 14th Gds Mecz Div.

** [REDACTED] Comment. According to [REDACTED] the convoy belonged to the 32d (?) AAA Div from Frankfurt/Oder, elements of which are believed to have been at Jueterbog since 10 April 1951. [REDACTED] 25X1C
